☐ I would like to make a one-time contribution of \$ _____ via payroll deduction.

I understand that this deduction is not tax-deductible and that this contribution is strictly voluntary and will be used for political purposes. The amounts listed above are merely suggestions, and I may contribute more or less than the guidelines suggest. In addition, America's Credit Unions will not favor or disadvantage anyone by reason of the amount of his or her contribution or his or her decision not to contribute. I have the right to refuse to contribute without reprisal. Contributions of \$200 or more in a calendar year will be reported to the Federal Election Commission.

My bi-weekly payroll deduction will continue until I notify Payroll in writing of any change. The submission of a new deduction authorization form will supersede any previous authorizations for this payroll deduction. I have the right to terminate this deduction at any time by providing written notification (or email) to the Payroll Department. I understand my notice must be received by Payroll one week prior to a payday to allow for processing time.
